“ What a terrible shock to hear of Barb's passing. She and her beloved Bob were great friends of ours beginning back in the late seventies. Bob was so very much in love with his lovely Barb. She was so sweet and unassuming. A wonderful friend, always willing to help and lend a listening ear, and a great 'aunt' to my own three daughters. So many of those earlier friends have already passed and now another beautiful angel joins them. Barb above everything else loved her family, Bob and their four children Jim, John, Jason and Leon. I remember her being so excited when she was expecting Leon. After my first husband passed, I remarried and moved to the USA over 31 years ago, but whenever we visited Canada we tried to manage a visit with Barb, especially after Bob passed. Dear sweet Barbara, you are reunited with the love of your life Bob. May God bless you both and give you eternal peace. Our sincerest condolences to Jim, John, Jason and Leon, and to your own families and children, as you pass through your time of grieving. Thinking of you all. Kathie and Mike Ropele (Florida)

“ Jack and I were overjoyed when Bob and Barb helped us move into our new home in Arizona. Barb was always willing to help wherever needed. Hard work during the day and fun times at evening entertainment venues produced an abundance of cherished memories.

Barb is now snuggling with Bob once again and she is at peace.

I'm sending my deepest sympathy to the entire family. Barb had a good heart and it was always filled with love for all of you. xo

“ We will always remember your laugh; the way you would cackle at the silly jokes and stories we would share together at every family gathering. I still remember the day Uncle Bob came in to Aunt Lori's tv room singing 'Bird is the Word' and you came in right behind him singing the same. I will miss you deeply and all the gentle warm hugs you gave my sisters and i every time we would see you. love you lots aunt barbie. I hope you can finally rest with the the rest of our family playing cards at the table up in heaven laughing.

“ You were always the most amazing, patient, giving and loving Mom. As long ago the step part of that was redundant. Took me in as a young boy and treated me like gold.

We are broken hearted, and Miley will not have you to sing to on the phone. We don't even know how to tell her you're gone.. Love you always. John, Sybil and Miley.

Bob will be very happy to see you as he already planned your next adventure together. We had some great times, taken too early. We love you and will miss you.
